The Twin Cities Men's Center (TCMC) is having an OPEN HOUSE!  
Saturday, April 22nd from 1 - 4pm.

You are invited to come check out the space, meet the people working behind the scenes: the staff, board members, key volunteers.

You will also meet our invaluable frontline volunteers who make the Twin Cities Men's Center a space to learn and grow within the community through support groups, workshops and educational programs.

TCMC celebrated its 40th Anniversary last year, and we have new initiatives underway this year! The Twin Cities Men's Center has been known as the secret jewel in the community and we'd like to share that secret publicly.

We want to learn about what you would like to see and/or help create at TCMC—two-minute surveys will be provided for you to fill out and leave with us. We'll also have a list of areas where we are seeking help.

**This is a social event with light refreshments provided.**
